MOTION TO EXTEND DISCOVERY AND TRIAL DATES

Opposer, with the consent of Applicant, hereby moves for a further sixty (60) extension of the discovery and trial dates in the opposition proceeding. This extension is required to allow the USPTO time to consider Applicant's request to amend the identification of services covered by its application.

Since the grant of the last Motion to Extend Discovery and Trial Dates, both parties have executed a Settlement Agreement and Applicant has requested the USPTO to amend the identification of services in accordance with the Settlement Agreement. Since Applicant is located outside the United States in the Isle of Man, two originals of the Settlement Agreement were sent there for execution. However, during this time, the General Counsel of Applicant ceased to work for Applicant. Thus, the two originals could not be executed in the Isle of Man. Applicant's Chief Financial Officer, who is located in Calgary has now executed the Settlement Agreement.

Applicant's counsel consented to this extension in an e-mail dated December 18, 2008.

Dated: New York, New York

December 30, 2008

Respectfully submitted,
